Features & Benefits

Feature

Low profile "toric" lens fits under welding helmets, on hard hats and with most respirators, while also providing superior optics and enhanced peripheral vision.

Benefit

MMT- Multi-Material Technology in body construction seals and conforms to most facial contours, providing superior splash and impact protection, unsurpassed comfort against the skin. Unique lens replacement system is very easy to use and cost effective. Indirect ventilation system channels and directs air flow over the lens to minimize fogging. Quick adjust headband system provides fast and easy headband adjustment for a close and secure fit.
