Blåkläder's revolutionary maternity trousers are here at last. Soft, comfortable and hard-wearing work trousers that are intended to facilitate physical work for as long as possible into the pregnancy. Clothing or pregnancy should not be an obstacle to working. And that's where the 7100 comes in. These hi-vis trousers are crafted from comfortable 4-way-stretch fabric and are scratch-free with a magnetic fastening instead of a zip on the pockets. Loops at the waist for a belt, so that the optional nail pocket can be added. Certified under the EN ISO 20471 standard, Class 2 high-visibility protective clothing. Certified under the EN ISO 20471 standard, Class 2 high-visibility protective clothing.
